The Greene County Afterschool Summit, A Continuum of Learning: Pennsylvania Supports the Power of Afterschool, is one of many Afterschool Summits sponsored by the Pennsylvania Statewide Afterschool/ Youth Development Network (PSAYDN) across the state to connect community leaders and raise awareness on the importance of afterschool and youth development programs for Pennsylvania's children, youth and families.

This Summit will address the state of youth in Greene County, highlight county statistics, discuss the needs of the community and present promising strategies to support the community in developing an effective plan to help children and youth reach their education goals and prepare for the workforce.

Summit participants will receive information and resources regarding the benefits of afterschool and youth development programs, effective use of school and community resources to remove barriers to learning, and an Advocacy Toolkit.

This event is sponsored by the Pennsylvania Statewide Afterschool/Youth Development Network. PSAYDN gratefully acknowledges funding and support from: Center for Schools and Communities, Charles Stewart Mott Foundation, Corporation for National and Community Service, Grable Foundation, Heinz Endowments, William Penn Foundation and the Pennsylvania Department of Education.
