

AFTERSCHOOL PROGRAMS...KEEP KIDS SAFE, INSPIRE LEARNING AND HELP WORKING FAMILIES.

MISSION

Pennsylvania Statewide Afterschool/Youth Development Network's (PSAYDN) mission is to promote sustainable, high-quality out-of-school time youth development programs through advocacy and capacity building to enhance the welfare of Pennsylvania's children, youth and families.

VISION

PSAYDN's vision is that all children and youth deserve access to high-quality out-of-school time programs that promote youth development and support the successful transition to adulthood.

The Network is centered on these goals:

- Goal 1:** Create a sustainable structure of statewide, regional and local partnerships, particularly school-community partnerships, focused on supporting policy development at all levels.
- Goal 2:** Support the development and growth of statewide policies that will secure the resources that are needed to sustain new and existing afterschool programs.
- Goal 3:** Support statewide systems to ensure programs are of high quality.

Pennsylvania is one of thirty-two Charles Stewart Mott Foundation funded statewide afterschool networks. PSAYDN gratefully acknowledges funding and support from the Center for Schools and Communities, Charles Stewart Mott Foundation, Corporation for National and Community and Service, the Grable Foundation, Heinz Endowments, the Pennsylvania Department of Education and the William Penn Foundation.
